

Support the Chorus

In order for our program to run as effectively as possible, we must have adequate funding to support our students throughout the year. Expenses include sheet music for each choir, accompanist fees, festival entry fees, travel expenses, concert attire, and equipment. Excellence in the arts has an expensive price tag, but one that we all understand to be necessary in order to be successful. Although our administration does the best they can to support the chorus program, our expenses for the year far surpass our allotment. This year the school budget will be even tighter so your help will be more important than before.

The chorus students work hard every year washing cars and selling candy in an attempt to raise funds for the chorus. However, we cannot reach our goal alone, so we are hoping for your help.

We are hoping to gain sponsors for the chorus. The benefits are that all funds go directly to helping the chorus.

You can either sponsor the choir as a whole or you can choose to sponsor individual chorus students. If you wish to sponsor one student in particular, the student that you name will receive 50% of your donation into their individual account. This will help them to offset the cost of chorus fees, wardrobe costs, festival fees and travel expenses that occur throughout the year.

We thank you for your support and GO BULLDOGS!

Please complete and return with your gift.

Make checks payable to DeLand High School, with Chorus Sponsorship on the memo line.
