COLLEGE AND CAREER READY CREDIT (CCR)

At DeLand High School each student will have the necessary skills and knowledge to be successful in any post-secondary option they choose. Students will learn to communicate effectively, develop informed arguments, analyze information and data, collaborate, present information and use research to make informed judgments. Students who complete a CCR course and pass the associated exam at any time during their high school years will be eligible for an honors cord at graduation.

Students earn a CCR credit in one of four pathways at DHS: (1) Advanced Placement course and pass AP exam; (2) IB course and pass IB exam; (3) CTE course and pass industry certification exam; or (4) Dual Enrolled course at approved college/university and passing the course with a grade of "C" or better.
