

What Students Should and Should Not Bring to the Exam Room

NEW Make sure students understand your school’s health and safety protocol for the exam room. Students may bring hand sanitizer to the room, but it must be placed under their desk, not on their desk. Students should use any other PPE (such as masks) following your school’s current requirements.

Score Reports for Students

Scores will be available to students online at apscore.org in July for exams taken during Administrations 1 and 2, and in mid-August for exams taken during Administration 3.

Students will also be able to access their scores by signing in through My AP.

To access and send their scores as well as avoid any score reporting delays, students must:

- Provide accurate registration information in My AP. A student’s mailing address and email address are used to send them information about the AP Program.
 - Check that the correct “School You Attend” is selected in their My AP registration. This helps determine which school their scores are reported to in July. Please do this especially if a student has transferred schools mid-year. Have students sign in to My AP, go to **My AP Profile**, and then click the **Registration** tab. Review the school listed under “School You Attend.” Double-check the city and state since there can be multiple schools with the same/ similar name. Students can also use the zip code filter to narrow down the search results.
- NOTE:** AP Coordinators can also review the School Code column in the Student Roster available in AP Registration and Ordering to identify students who may have the incorrect school selected in their My AP registration.
- Sign in to their College Board account using the same information they used to sign in to My AP, as well as the same information used if they’ve previously registered for the SAT or participated in other College Board programs.

If students have any questions about their score report, they can call AP Services for Students. Students will need their AP ID when they call; they can view their AP ID in My AP (myap.collegeboard.org) by going to **My AP Profile** and then clicking the **Registration** tab.

Students’ Free Score Report: June 20 Deadline

Remind students—especially seniors—that they need to sign in to My AP to indicate which college or university they’d like to receive their free score report. Students indicate their free score report recipient **only** through My AP; students no longer indicate this information on their answer sheets.

To add their free score report recipient, students sign in to My AP (myap.collegeboard.org), go to **My AP Profile**, and then click the **Score Send** tab.

The deadline for students to indicate or change their free score report recipient is **June 20, 2021**. See page 98 for details.

The free score report will contain the student’s entire AP exam history including prior year scores in addition to their 2021 exam scores.
