Welcome to the 2022-2023 school year!! I am so happy that you are here, and I look forward to watching you grow in confidence and mathematics. You will learn to enjoy student centered teaching and collaboration and I am excited to listen to your math conversations, debates and see your creative, collaborative group activities.

Student Expectations:
1. Please be on time, prepared for class every day.
2. Please stay in your seat.
3. Always be courteous and respectful to others.
4. Please have only materials for math class in your area.
5. Leave food and beverages outside of the classroom, and electronics logged into class appropriate sites.
6. Please handle all equipment properly.
7. Tardiness and Absences will be handled in the manner set forth by the school attendance policy.
8. All rules in the student handbook will be strictly enforced. Cheating = referral.

Consequences:
Warning → Last warning → Teacher option→ Detention → Referral to office

**Misuse of any equipment will lead to revocation of privileges.
**Severe disturbances will result in an immediate referral.
