There is a $30 lab fee for all levels of this class. This fee is payable by check given to Mr. Hamilton, or by credit/debit card via the school’s online payment page. Go to www.delandhs.org click on the search magnifying glass and type in ONLINE PAYMENT, click on Home/On-line Payments, and then click the green Make a Payment button. Hover over High Schools and scroll down DeLand High. Now scroll down until you see our logo on the left side. It will be listed like below.

CI751-488    2022-23 Building & Construction Lab Fee

The direct web address is as follows but must be typed in exactly as below or scan QR code on the back of this page.

This fee helps to cover the vast number of consumables the students use throughout the year. We go through a lot of saw blades, fasteners, nails, paint brushes, and similar type items. Any questions or concerns about this fee, please contact me directly.

Lockers

We have a limited number of lockers available. So, what I have done is taken 8 of the large lockers in our classroom and put my locks on them that only I have keys to. This is so students can ask to have their items secured. Also, since CELLPHONES AND ELECTRONICS ARE NOT ALLOWED OUT AT ALL in class, I am providing 2 small lockers that have plugs to charge up to 10 phones at once while keeping them secure. I have a limited number of locks that are available for use or students may supply their own but are required to give me a key or the combination to keep on file. The large green lockers in the vestibule across from my office will be used for students in the current class period to take their lock from their smaller locker and move it to the large lockers to secure personal items. **Locks must be removed from larger lockers and placed back on assigned small locker at the end of each period or Mr. Hamilton will remove it and store items in his office, so the other classes have use of the large lockers.** The remaining lockers will be offered to the highest-level students first and then to the lower levels. Lockers must be shared do to the fact we only have 60 lockers and more than 160 students. If there are any extras, after all students have been given the choice to have one, any student may request a private locker.

**DAILY REQUIREMENTS**

1. **ALL CELLPHONES, EARBUDDS, OR ANY OTHER ELECTRONICS MUST BE COMPLETELY PUT AWAY PRIOR TO ENTERING CLASS. FAILURE TO DO SO WILL RESULT IN LOSS OF DEVICE FOR 24 HOURS.**

2. Must be in proper school dress code. Including belt, if needed, to keep pants or shorts secured at waistline. Undergarments should not be seen. Zip-ties will be issued if pants/shorts cannot stay up.

3. Must have closed toe shoes that are securely tied. No sandals, slides, crocs, or similar.

4. Personal safety glasses, that are certified safety glasses with either clear or amber lens. **NO SUNGLASSES OR TINTED LENS.** If student wears corrective glasses, they will need safety glasses or goggles that are to be worn over corrective glasses. Safety glasses must be taken care of to prevent scratches. If glasses become damaged or scratched to where they obstruct view or do not stay on, they will have to be replaced.

5. Minimum of a 16’ tape measure (may be longer) that is in 1/16” increments without fractional measurements displayed, also known as a “Cheater tape”. If they do have a Cheater Tape, during any measurement assessments they will have to trade it in for a standard tape.

6. **A PENCIL**

7. **CHARGED LAPTOP- only to be used to access Canvas and the HBI website**
