Hello Bulldog Families,

Volusia County Schools will be offering a unique opportunity for High School Seniors who have yet to earn a passing score on the FSA ELA and/or Algebra 1 EOC or obtain a concordant score using the ACT or SAT, to sit for an "in school ACT" test administration. This special administration will allow students the potential to earn a concordant score needed for a standard high school diploma. Students who choose to use this "in school ACT" test option will only be permitted to use these scores as a concordant score for graduation purposes.

The "in school ACT" test administration cannot be used for:

- Bright Futures
- College Admissions
- Scholarship Opportunities

The "in school ACT" test administration will occur on March 2-4, 2021. Your student has been selected to participate in this opportunity in hopes of obtaining a concordant score. There is no cost to your student to take this test, however you must sign and return this letter to Ms. Kim Sibio by ***Monday, January 11, 2021***.
